USLI Supports Your Hospitality Business

A full plate of savings and solutions for your establishment

All USLI policyholders have access to the Business Resource Center (BRC), providing free and discounted resources designed to help hospitality businesses save money, stay compliant and drive growth in a competitive market.

Reduce costs. Reduce risk. Grow faster.

The BRC provides practical tools to save smarter, manage risk and expand your business:

Alcohol Safety Training [↗](#)

Prepare your staff to serve alcohol safely and responsibly with LiquorTraining.com, starting at \$11 per server. The Alcohol Seller Server Certification lasts for three years.

Food Handler and Food Manager Training [↗](#)

Equip your team with food safety certifications through StateFoodSafety, with courses starting at \$9.99.

Marketing Resource Page [↗](#)

Create exclusive content to keep customers coming back without spending a lot of time and money. Take immediate action with your online content marketing by accessing resources vetted by our team of design and corporate communication experts.

Signage is a powerful method of conveying messages to your customers. Get access to discounts for a variety of sizes, styles and materials through our preferred partners, ANRO and Conlin's.

Free HR Helpline from PeopleSystems [↗](#)

Get expert, real-time guidance on employee relations, policies and compliance without the cost of outside consultants. Services are free and unlimited.

Discounted Background Checks with Background Info USA [↗](#)

Hire with confidence and reduce risk — get your first background check free; each additional background check starts at a discounted price of \$10.

Hospitality Industry Resource Page [↗](#)

Access curated risk management resources and vendor partnerships tailored specifically to restaurants, bars and hospitality operators.

How ABC Restaurant Saved \$1,135 With the Business Resource Center

As a small business operator, we know every penny counts. With the BRC, you can save hundreds of dollars with your USLI policy:

- 15 new hires during the year
 - » Background checks: (1st background check is free; then \$10): \$140 vs. \$750
 - » Alcohol Training: \$150 vs. \$525
- Signage Discounts: \$850 vs. \$1,000
- ABC's total cost savings in year one of their policy with USLI = \$1,135

Check out our [cost-savings calculator](#) to get a more personalized savings report!

These are just a few of the many tools and resources available on the BRC to help you manage and grow your business.
